

The Program

For the 2020-2021 school year, LCS is beginning a homeschool program to partner with parents of **middle school** students. Four spots per grade level are available and students are expected to be present each day school is in session. Parents may register their student for one, two, or three classes (more than this and they will be considered a fulltime student). If a student is registered for two or more classes, they are eligible to participate in extra-curricular activities. Class(es) will be chosen at time of registration.

Registration

The registration fee for the 2020-2021 school year is \$175 per student (\$25 immediately with the application, \$150 with the enrolment). This remaining enrollment fee (\$150) is to be paid within 10 days of applying, is non-refundable, and will be billed online.

If a student's grade level is already full, the online application will place the student on a wait list and the family will be notified accordingly. If a spot becomes available, the family will be contacted and given 48 hours to accept or decline. If the spot is accepted, the online enrollment must be submitted within 48 hours and the full fee within 10 days.
