Lifegate Christian School Parents & Stakeholders,

Our school takes pride in supporting the needs of the whole child, and to ensure that all children are safe, supported, engaged, and challenged each school day. Research indicates that initiatives focused on improving aspects of students' well-being in schools — such as addressing childhood obesity, preventing bullying, supporting students mental health, and restricting use of exclusionary discipline — have been found to be successful in improving student success and academic excellence. We have assessed our wellness policy as part of the USDA requirements. Below are the results of our assessment.

Step #1- Please see link to view extent to which the Local Wellness Policy complies with USDA Requirements and Compares to a Model Policy Assessment Tool.

Step #2- Please see link to view progress in reaching Local Wellness Policy (LWP) Goals, & Compliance with the Wellness Policy

This Local Wellness Policy and support documents are made available to the public and parents on our website. Feedback is welcome and encouraged as we always strive to increase focus on nutrition, exercise, and healthy living/lifestyles for both our students and staff alike.
